Important Information

Please read this manual carefully before using the software. If the software will be used by children, the manual should be read and explained to them by an adult.

Also, before using this software, please select  in the HOME Menu and carefully review content in "Health and Safety Information." It contains important information that will help you enjoy this software.

You should also thoroughly read your Operations Manual, including the "Health and Safety Information" section, before using this software.

Please note that except where otherwise stated, "Nintendo 3DS™" refers to all devices in the Nintendo 3DS family, including the New Nintendo 3DS, New Nintendo 3DS XL, Nintendo 3DS, Nintendo 3DS XL, Nintendo 2DS™, and New Nintendo 2DS XL.

CAUTION - STYLUS USE

To avoid fatigue and discomfort when using the stylus, do not grip it tightly or press it hard against the screen. Keep your fingers, hand, wrist, and arm relaxed. Long, steady, gentle strokes work just as well as many short, hard strokes.

Important Information

Your Nintendo 3DS system and this software are not designed for use with any unauthorized device or unlicensed accessory. Such use may be illegal, voids any warranty, and is a breach of your obligations under the User Agreement. Further, such use may lead to injury to yourself or others and may cause performance issues and/or damage to your Nintendo 3DS system and related services. Nintendo (as well as any Nintendo licensee or distributor) is not responsible for any damage or loss caused by the use of such device or unlicensed accessory. Except as authorized, copying of any Nintendo software is illegal and is strictly prohibited by domestic and international intellectual property laws. "Back-up" or "archival" copies are not authorized.

Nintendo respects the intellectual property of others, and we ask

Nintendo 3DS software Content Providers to do the same. In accordance with the Digital Millennium Copyright Act in the US, the Electronic Commerce Directive in the EU, and other applicable law, we have adopted a policy of removing, in appropriate circumstances and at our sole discretion, any Nintendo 3DS software that appears to infringe anyone else's intellectual property. If you believe your intellectual property rights are being infringed, please visit www.nintendo.com/ippolicy to view the full policy and understand your rights.

2 Playing Online

This software allows you to battle against other players online, receive ranking data, submit your own results, and place divine orders.

The Nintendo 3DS system must be connected to the Internet to play online. Please refer to the Operations Manual for instructions.

This software supports Nintendo Network.

Nintendo Network is the name of Nintendo's network service that enables users to enjoy games and other content via the Internet.

Protecting Your Privacy

- To protect your privacy, do not give out personal information, such as last name, phone number, birth date, age, school, e-mail, or home address when communicating with others.

- Friend codes are a part of a system that allows you to play with people you know. If you exchange friend codes with strangers, there is a risk you could share information with people you do not know or exchange messages that contain offensive language. We therefore recommend that you do not give your friend codes to people you don't know.

3

Parental Controls

You can restrict use of the following features by adjusting the options in Parental Controls.

- ◆ Access to this game (as well as other games) can also be restricted through the **Software Rating** item in Parental Controls.
- ◆ Refer to your Operations Manual for information on how to set up Parental Controls.
- Online Interaction
Restricts all matches with other players over the Internet.

4

Information-Sharing Precautions

User-generated content, or UGC, is content created by users, such as messages, Mii™ characters, images, photos, video, audio, etc.

Information-Sharing Precautions

The extent of UGC exchange depends on the software.

- Nintendo bears no responsibility whatsoever for any problems that result from the use of the Internet (for example, the sending of content over the Internet, or the sending or receiving of content with others).

5

Save Data Precautions

Saving Data

This game automatically saves your progress at certain points, such as after battles.

Deleting Data

To delete save data, select Delete Save File in  (Options) in Menu.

Data can be lost due to user action, such as repeatedly powering off and on the system or removing a Game Card or SD Card while saving. Data loss may also be caused by poor connectivity due to dirt or dust in the system's ports. Please be aware that in these cases data cannot be restored.

The Arena (Local Play)

Two people can enjoy Local Play in the Arena if each of them has a Game Card or download version for this software and a Nintendo 3DS system.

●You Will Need:

Nintendo 3DS systems: one system for each player (2 players)

Software: one Game Card or download version of the software for each player (2 players)

●Steps

Player 1 must choose battle rules and then search for an opponent.

【Finding an Opponent】

1. Select "Local Battle" in the Arena.
2. Select the desired battle rules.
3. The battle will start once an opponent is selected.

【Becoming an Opponent】

1. Select "Local Battle" in the Arena.
2. Select the desired battle rules.
3. Select "Find opponents" and the battle will start once another player joins.

The Arena (Online Battle)

If the system is connected to the Internet, this software features online battles in the Arena. The online battle mode unlocks after a certain point in the game.

● Steps

1. Select "Online Battle" in the Arena.
2. Select "Random Match" or "Buddy Match."
3. Select the desired battle rules.
4. The battle will start after matching you with an opponent.

8

Arena (Ratings)

The Arena (Ratings)

Selecting "Current Rating" in the Arena Online Battle mode will connect to the Ratings server, where you can receive rating data and submit your own results. You can also check "Top Rated - Regionwide" and "Top Rated - Friends."

9

Divine Orders

Sushi Sprite Shrine (Divine Orders)

You can place a divine order by selecting "I want to pick up a divine order!", connecting to the Internet, and entering a name for the "divine order." If there is a valid divine order under the name you enter, you'll receive an in-game item.
