**1****Important Information**

Please read this manual carefully before using the software. If the software will be used by children, the manual should be read and explained to them by an adult.

Also, before using this software, please select  in the HOME Menu and carefully review content in "Health and Safety Information." It contains important information that will help you enjoy this software.

You should also thoroughly read your Operations Manual, including the "Health and Safety Information" section, before using this software.

Please note that except where otherwise stated, "Nintendo 3DS™" refers to all devices in the Nintendo 3DS family, including the New Nintendo 3DS, New Nintendo 3DS XL, Nintendo 3DS, Nintendo 3DS XL, and Nintendo 2DS™.

## Important Information

Your Nintendo 3DS system and this software are not designed for use with any unauthorized device or unlicensed accessory. Such use may be illegal, voids any warranty, and is a breach of your obligations under the User Agreement. Further, such use may lead to injury to yourself or others and may cause performance issues and/or damage to your Nintendo 3DS system and related services. Nintendo (as well as any Nintendo licensee or distributor) is not responsible for any damage or loss caused by the use of such device or unlicensed accessory. Except as authorized, copying of any Nintendo software is illegal and is strictly prohibited by domestic and international intellectual property laws. "Back-up" or "archival" copies are not authorized.

Nintendo respects the intellectual property of others, and we ask Nintendo 3DS software Content Providers to do the same. In accordance with the Digital Millennium Copyright Act in the US, the Electronic Commerce Directive in the EU, and other applicable law, we have adopted a policy of removing, in appropriate circumstances and at our sole discretion, any Nintendo 3DS software that appears to infringe anyone else's intellectual property. If you believe your intellectual property rights are being infringed, please visit [www.nintendo.com/ippolicy](http://www.nintendo.com/ippolicy) to view the full policy and understand your rights.

This software supports . You can use compatible amiibo™ accessories by touching them to the lower screen of your New Nintendo 3DS or New Nintendo 3DS XL system.

Using near-field communication (NFC), amiibo can connect to compatible software to open brand-new ways to interact with your favorite Nintendo games. For more information, please visit Nintendo's official website at [www.nintendo.com/amiibo](http://www.nintendo.com/amiibo).

- ◆ Only the game data from one software title can be saved on an amiibo at a time. In order to create new game data on an amiibo that has existing data from another game, you must first delete the existing game data. To delete your game data, open  on the HOME Menu and then reset the data under amiibo

Settings.

- ◆ Data stored on amiibo can be read by multiple compatible games.
- ◆ If the data on an amiibo is corrupted and can't be restored, open  on the HOME Menu and then reset the data under amiibo Settings.

Using amiibo with a Nintendo 3DS, Nintendo 3DS XL, or Nintendo 2DS system requires the Nintendo 3DS NFC Reader/Writer accessory.

### Precaution about amiibo

- Just a light touch on the lower screen is enough for the system to detect your amiibo. Do not press the amiibo into the screen or forcefully drag it across the screen.

User-generated content, or UGC, is content created by users, such as messages, Mii™ characters, images, photos, video, audio, etc.

### **Information-Sharing Precautions**

The extent of UGC exchange depends on the software.

- Nintendo bears no responsibility whatsoever for any problems that result from the use of the Internet (for example, the sending of content over the Internet, or the sending or receiving of content with others).

## Internet Enhancements

This software allows you to use the following online features:

- Swap Rooms (p. 25)
- View and participate in contests (p. 27)
- Purchase items (p. 32)
- ◆ Refer to your Operations Manual for information about connecting your system to the Internet.
- ◆ You must go through the initial setup for Miiverse on your system before you can use Miiverse with this game.

This software supports Nintendo Network.

Nintendo Network is the name of Nintendo's network service that enables users to enjoy games and other content via the Internet.

### Protecting Your Privacy

- To protect your privacy, do not give out personal information, such as last name, phone number, birth date, age, school, e-mail, or home address when communicating with others.
- Friend codes are a part of a

system that allows you to play with people you know. If you exchange friend codes with strangers, there is a risk you could share information with people you do not know or exchange messages that contain offensive language. We therefore recommend that you do not give your friend codes to people you don't know.

You can restrict use of the following features by adjusting the options in Parental Controls.

- ◆ Access to this game (as well as other games) can also be restricted through the **Software Rating** item in Parental Controls.
- ◆ Refer to your Operations Manual for information on how to set up Parental Controls.
- **Nintendo 3DS Shopping Services Restricts the purchase of downloadable content.**
- **Miiverse**  
Restricts users from viewing or posting content on Miiverse. When set to **Restrict Posting**, text and handwritten messages cannot be posted. When set to **Restrict Viewing and Posting**, text and handwritten messages cannot be posted or viewed.
- **Sharing Images / Audio / Video / Long Text Data**  
Restricts the sending and receiving of photos and the use of Game Chat.
- **Online Interaction**  
Restricts the use of the Swap Rooms feature.
- **StreetPass**  
Restricts the exchange of profiles and rooms between users via StreetPass.

You've just arrived in a place called Beaumonde City. You become the manager of a boutique that specializes in clothing and accessories, and have to fill the local area with fashion!

### Create and Swap Rooms

Decorate with your favourite furniture and accessories to create a room unique to you at Caprice Chalet! You can then share it with other players using wireless communication.

### Hair, Make-up, and Designing too!

As well as running your own boutique, you'll also be able to work as a hair stylist, a make-up artist, and a fashion designer. You'll even be able to model in fashion shows too!

For most controls, you can use either the stylus or the buttons.

- ◆ There are some controls for which you must use one or the other.

- Add-on Items you've downloaded

## Deleting Data

From the Title Menu select "Other", then "Manage Data", and then "Delete Save File" to delete your save data for this software.

- ◆ Deleted data cannot be recovered, so be careful when deleting data.

Data can be lost due to user action, such as repeatedly powering off and on the system or removing a Game Card or SD Card while saving. Data loss may also be caused by poor connectivity due to dirt or dust in the system's ports. Please be aware that in these cases data cannot be restored.

The city is presented as a stage. As you spread more fashion around the city, you will be able to visit more places.

### Talk

Select a character on the Touch Screen, then select "Talk" to talk to them.

An important event will take place when you talk to these characters.

Characters that you've served before or have previously come to your shop as a customer, and are likely to return in the future.

These characters might have a miniature to give you, invite you on an outing, or have something nice to tell you.

These characters have a colour hint to tell you (p. 15).

These characters are hoping to rent a room (p. 21) at your Chalet.

## Characters with Special Jobs

Rainbow the colour coordinator (p. 15).

This icon will appear by Noor the hair stylist and Arabella the make-up artist when they are in their shops.

Magda the fortune teller. What will happen if you answer her questions...?

The boutique you manage. All kinds of customers wanting to become more fashionable will come here.

- Once purchased, items can be re-downloaded for free except as described below.
  - ◆ You cannot redownload software if you select the **Delete Account** option or if you erase your Nintendo Network ID.
  - ◆ You cannot redownload software if it is an item that has been temporarily or permanently discontinued.
- Purchased/downloaded items can be used on the Nintendo 3DS system used to purchase/download them. Purchased/downloaded items will be saved to the SD Card but if you insert the SD Card into another system they will not be available on that system.

### Adding Funds to Your Account

You must have sufficient funds in your Nintendo eShop account to cover the purchase price of the items. If you do not have enough funds in your account, select **Add Funds** when prompted to add funds

to your account.

A Nintendo eShop Card or credit card is needed to add funds to your account.

- ◆ You can store your credit-card information, which lets you add funds to your account by simply entering the password you established when you first entered the credit-card information.
- ◆ You can delete the credit-card information at any time by accessing **Settings / Other** in Nintendo eShop.
