User-generated content, or UGC, is content created by users, such as messages, Mii™ characters, images, photos, video, audio, etc.

Information-Sharing Precautions

The extent of UGC exchange depends on the software.

- Nintendo bears no responsibility whatsoever for any problems that result from the use of the Internet (for example, the sending of content over the Internet, or the sending or receiving of content with others).

This software allows you to connect to the Internet and enjoy sharing screenshots and your impressions of the game with other players via Miiverse™ (page 6).

- ◆ Refer to your Operations Manual for information about connecting your system to the Internet.
- ◆ You must go through the initial setup for Miiverse on your system before you can use Miiverse with this game.

This software supports Nintendo Network.

Nintendo Network is the name of Nintendo's network service that enables users to enjoy games and other content via the Internet.

Protecting Your Privacy

- To protect your privacy, do not give out personal information, such as last name, phone number, birth date, age, school, e-mail, or home address when communicating with others.
- Friend codes are a part of a system that allows you to play with people you know. If you exchange friend codes with strangers, there is a risk you

could share information with people you do not know or exchange messages that contain offensive language. We therefore recommend that you do not give your friend codes to people you don't know.

You can restrict use of the following feature by adjusting the options in Parental Controls.

- ◆ Access to this game (as well as other games) can also be restricted through the **Software Rating** item in Parental Controls.
- ◆ Refer to your Operations Manual for information on how to set up Parental Controls.
- **Miiverse**
Restricts users from viewing or posting content on Miiverse. When set to **Restrict Posting**, screenshots, text, and handwritten messages cannot be posted. When set to **Restrict Viewing and Posting**, screenshots, text, and handwritten messages cannot be posted or viewed.

This game has one save file. Your progress is saved automatically whenever you clear a stage or exit the shop.

Erasing Save Data

To delete your current save data, launch the software, wait for the Nintendo 3DS logo to disappear, and then press and hold (A), (B), (X), and (Y) simultaneously until a message window appears. Once it appears, you will have a chance to confirm that you want to erase your save data.

◆ **Once erased, data cannot be recovered, so please be careful.**

Data can be lost due to user action, such as repeatedly powering off and on the system or removing a Game Card or SD Card while saving. Data loss may also be caused by poor connectivity due to dirt or dust in the system's ports. Please be aware that in these cases data cannot be restored.

6 Stages

Guide Qbby through the goal door at the end of a stage to complete it. If you need a reminder about the in-game controls, select **Controls** from the pause menu to view a detailed control guide.

Sharing the Game Demo (Download Play)

You can send a demo of this game to nearby systems in the Nintendo 3DS family. Recipients of this demo will be able to play it until they turn off their system.

You Will Need

- A system in the Nintendo 3DS family that has the full version of the game
- A system in the Nintendo 3DS family that can act as the recipient of the demo

Setup

Sending the Demo

1. Select the **Send Demo** option on the World Map, and then select **Yes**.
2. Once the desired recipient's name is displayed, select **Send to This Recipient**.

Receiving the Demo

1. Select the **Download Play** icon on the HOME Menu, and then tap **Open**.
 2. Select the Nintendo 3DS logo.
 3. Tap the name of the software.
- ◆ A system update may be required. If so, follow the on-screen instructions to update your system. If you see the message, "The connection was interrupted," and the system update fails, try updating the system via **System Settings**. For detailed instructions, refer to the information on system updates within the **System Settings** electronic manual.
